Accommodation Concept

- Your accommodation will be available from the very first day of your arrival in Germany, no hotel stays are required.
- Your luggage could be sent to our office in advance and delivered to your accommodation by the time of your arrival.
- The accommodation is meant as a single room in a 3-4 people shared flat. We try our best to keep women and men separated, if it's not possible, married people will have the priority in a same sex flat.
- The flats are fully furniture apart from the TV, if something gets or is broken, please report to the Recruitment Office (MMIRD) to a reparation/substitution.
- The rent is 350€ and includes: tax (Nebenkosten), heat, water, electricity and Wi-Fi internet connection. The rent will be taken from your salary, after external written agreement, so no money must be given to us. The charge will take place on the day of your first salary, no rent money in advance is due.
- The rent is regulated by our company-accommodation-rent contract.
- You are responsible for the good relationship with the other flat mates, we try to intervene in case of contrasts inside the house only in case of serious contrasts.
- The rent contract is 1 year long, with the possibility of further stay. If you want to move out, we just need a notice until the end of the month. No further notice is required.
- All our accommodation are in the city of Hannover in strategic positions, always very close to supermarkets, metro stations, pharmacies, etc, within a walking distance to the city center.
